01

PROFILE

Creative, detail-oriented graphic designer with 3+ years delivering strategic branding and marketing design for startups, entrepreneurs, agencies and growing businesses worldwide.

Specialized in logo design and full brand identity systems, company profiles, social and email marketing design, and print collateral — built to strengthen recognition and support measurable business growth.

02

EXPERIENCE

● **Freelance Graphic Designer** Independent / Remote 2022 — Present

- Design unique logos and complete brand identity systems for startups and growing businesses across the USA, Canada, Europe and India.
- Develop professional company profiles, corporate documents and business presentations that support client sales and funding efforts.
- Create engaging social media graphics and design email marketing campaigns, promotional creatives and advertising materials.
- Produce brochures, flyers, banners, business cards, packaging and other print collateral, managing projects end to end.
- Collaborate directly with clients from concept through final delivery, maintaining brand consistency across every touchpoint.
